ADAM GREGG  
LT GOVERNOR

Dear friends,

Forty years ago, the Iowa Vietnam War Memorial was erected south of the Capitol. Then and now, its unique design sets it apart from the other war monuments on the south lawn. Even more striking than its black granite, is the inclusion of the name of every Iowan who died in the conflict—868 names in all.

This thoughtful approach not only allows those who lost relatives and friends to reflect on their sacrifice in a meaningful way, but it also reminds all visitors that Vietnam veterans—like those of every war—were sons and daughters, spouses and parents, each with a unique life and story.

Often in their teens and early twenties, these brave Americans left their homes and families, everything that was familiar to them, to fight a brutal war in a distant jungle because their country called them to service. Many never returned, giving what Abraham Lincoln called “the last full measure of devotion.” And those who did return would carry the experience with them, as would their families, for the rest of their lives.

Iowa’s 115,000 Vietnam veterans made these remarkable sacrifices on behalf of our nation, our liberties, and those of the Vietnamese people. As we celebrate the memorial’s fortieth anniversary, I pray that it will continue to inspire all who visit to reflect on the selfless service rendered by each of these heroic Iowans.

May God bless Iowa’s Vietnam veterans and their families, our great state, and the United States of America.

Sincerely,

A handwritten signature in cursive script that reads "Kim Reynolds".

Kim Reynolds  
Governor of the State of Iowa

## Ambassador Terry Branstad

May 2024

Dear Friends,

Many years have passed since I remarked on Memorial Day 1984 as we first dedicated our Iowa Vietnam Veterans Memorial. On that day, I said: "Iowa Vietnam Veterans deserve our support and thanks for their contribution to our country. A memorial on the State Capitol grounds will provide a means for Iowans to acknowledge the sacrifices of these veterans." That was 40 years ago on my second Memorial Day as the Governor of Iowa. Here we are, four decades later and these words still hold true.

Over 115,000 of our very finest Iowans served in Vietnam and fought for the rights and freedoms of the oppressed. The war was costly in so many ways for America and the State of Iowa. Iowa lost 867 young soldiers.

You gather here today to again salute our Vietnam veterans who served in that war. We come to honor and commemorate those who lost their lives in that far-off land.

The inscription expressed on the Iowa Veteran War Memorial holds the same resolve that it did on March 28, 1984:

*A Reflection of Hope  
A monument established by the citizens of Iowa to  
Honor Iowans who served during the Vietnam War.  
The absent friends will never be forgotten.*

We will honor all those who served and especially those who made the supreme sacrifice.

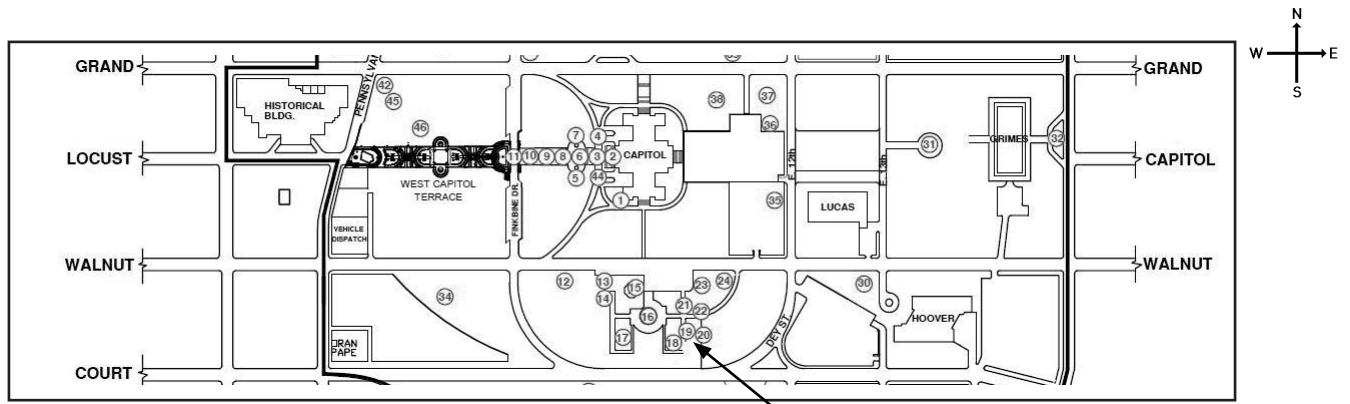

Sincerely,

Ambassador Terry Branstad

Capitol Grounds – Iowa Vietnam War Monument

## Purpose

The Iowa Vietnam War Monument was established on the grounds of the Iowa State Capitol to honor the lowans who served during the Vietnam Era. It is dedicated to the 115,000 young lowans who served during the Vietnam Era, and has the names of the 868 lowans who lost their lives or who remain missing as a result of the conflict.

The Iowa Vietnam War Monument is similar in design to the national memorial in Washington, D.C. The Iowa Vietnam Commission and Jacqueline Day from Des Moines, whose son was seriously wounded in Vietnam, were able to raise over \$85,000 for the project. Day was a former secretary to Governor Norman Erbe and former receptionist for Governor Robert Ray.

Governor Terry E. Branstad and former Governor Robert D. Ray dedicated the Iowa Vietnam Veteran War Memorial on Memorial Day, 1984. The dedication came two years after the National Vietnam Memorial was dedicated in November of 1982. The inscription reads:

A Reflection of Hope  
 A monument established by the citizens of Iowa to  
 honor lowans who served during the Vietnam War.  
 These absent friends will never be forgotten.

Bronze plaques and missing names were added at a separate ceremony on Veterans Day, November 11, 1984.

An additional name was added at a ceremony on May 7, 2015, Iowa Vietnam Veterans Recognition Day.

## Background

— from the program for the original dedication of The Vietnam Veterans Monument (May 28, 1984)

“Iowans have always answered our Nation’s call to arms and the Vietnam War was no exception. 115,000 young Iowans served during the Vietnam Era and 6,000 were wounded. 855 [sic] paid the supreme sacrifice.”

“In 1982, Governor Robert D. Ray named a Vietnam Veterans Memorial Commission to establish a suitable memorial for veterans of the Vietnam Era. Governor Terry E. Branstad [has] made this one of his priority projects and is assisting in making certain the task is completed. The total cost of the memorial is in excess of \$83,000. Much of the materials, labor, landscaping, trucking, printing and other services have been donated. The design selected is constructed from the same material used for the national Vietnam Veterans memorial in Washington, D.C. Governor Branstad and the commission felt Iowa Vietnam Veterans deserve the best state memorial in the nation and with your assistance . . . we now have it.”

## Memorial Designers

— from the original program con’t.

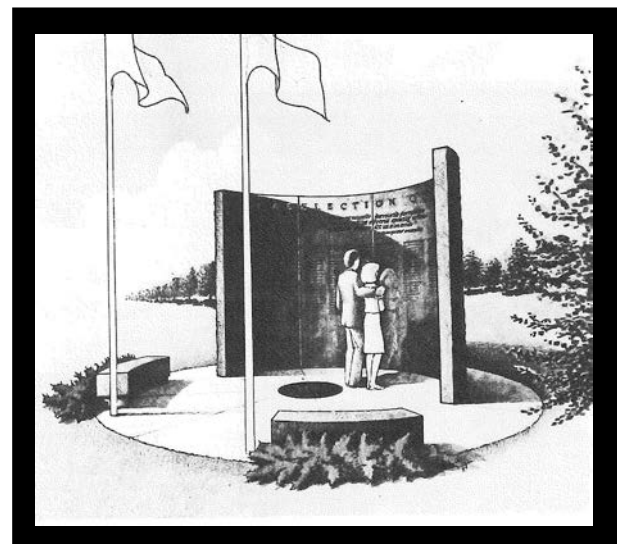

**Tim Salisbury:** a native of Newton, Iowa, graduated from Iowa State University with a degree in architecture in 1979. His idea was constituted with ancient war memorials combined with suggestions from contest.

**Mary Jane Fisher** (granddaughter of Jacqueline Day): It had been her dream through the inspiration of her grandmother to make a positive contribution to all the Vietnam Veterans showing them that they are not forgotten and people do care. “I am proud to be a part of this living Memorial and to have had the opportunity to make a positive contribution to those who lost their lives and to those who survived.”

**Sam Grabarski:** The Memorial project was coordinated by Dr. Sam W. Grabarski, executive director of the Iowa Arts Council. To foster participation by Iowans of all ages, regardless of skill levels, a statewide competition was conducted by the Arts Council during the period April through July, 1983. The resulting 69 designs were screened by the Iowa Vietnam Veterans Memorial Commission, and then researched and developed by the Arts Council, using the skills of professional graphic artists.

## Monument Design

The Iowa Vietnam Veteran War Monument is located on the lawn south of the state capitol. It is similar in design to the monument in Washington DC. The monument is constructed from black mirror-finish coldsprings granite, which is the same material used for the National Vietnam Veterans’ Memorial in Washington, D.C. Construction materials and techniques were selected to withstand weathering or defacement, and to harmonize with the natural surroundings of the Capitol complex. “The Memorial captures the spirit of permanent hope for the future, and represents one of the finest statements of its kind located anywhere in the world.” (Sam Grabarski)

## Arrangement of Names

The Iowa Vietnam Veteran War Monument is composed of 5 numbered panels placed left (No. 1) to right (No. 5). The names are listed alphabetically on each panel — line by line down the first panel to the bottom and then continued on the top line of the next panel. Names added later can be found (not in alphabetical sequence) at the bottom of the panels. New names added after the dedication in 1984, are located at the bottom of Panel 3.

## To Locate a Name

In this directory, the number of the panel on which a name appears is in the third column from the right. The second column from the right indicates the line, counting from the top of the panel, on which the name is inscribed. The panels are numbered as follows: from 1 to 46 — Panel 1; 1 to 46 — Panel 2; 1 to 50 — Panel 3; 1 to 50 — Panel 4; 1-46 — Panel 5.

## In Memory Plaque

At the Recognition ceremony in 2016, Iowa dedicated the “In Memory - Plaque,” that is located to the direct front, along the sidewalk of the Iowa Vietnam War Memorial. Engraved on the plaque are these words, “IN MEMORY OF THE MEN AND WOMEN WHO SERVED IN THE VIETNAM WAR AND LATER DIED AS A RESULT OF THEIR SERVICE.”

The majority of these deaths, are attributed to Vietnam Veterans exposure to the herbicide, Agent Orange. Since the dedication of Iowa plaque, as of 2024 Induction ceremony, Iowa as a total of “154” Veterans inducted into the “ In - Memory - Program at the “ Wall “ Washington, D.C.

*(\*\* Note, The In - Memory - Program and Plaque design were established by the Vietnam Veterans Memorial Fund in D.C. VVMF have authorized the use of the program & plaque in Iowa ).*
